at Burradon Community Primary School

in conjunction with:

North Tyneside Music Education Hub

Backworth Colliery Band

18th July 2017

Dear parent/guardian

At the end of our first year, we're pleased your child continues to enjoy coming to the after-school brass group. They have shown commitment and worked hard.

They have learnt to play more notes and rhythms on the cornet or trombone, and had a go with other instruments and percussion. They have played at school events throughout the year - they have been great - and will play at the Burradon's Got Talent event this Thursday afternoon (20th July)!

If your child is leaving Burradon Primary this year, e.g. to go onto High School, we wish them every success in their new school and hope they will continue with music in some way. Please can you ensure the return of any borrowed equipment such as instrument, stand, mute etc.

For children returning in September, we'll be back on Tuesdays as usual and hope to see them all back then. We also hope to have some new starters, and if any family members want to join and learn alongside the children they would be welcome!

Over the summer, there is an opportunity to continue playing with the Backworth Colliery Training Band. They meet every other Friday 6-8pm in Backworth Social Club NE27 0AG. The next session is July 28th. Please contact Gavin on 0798 469 3509 for more details.

There are more details about the North Tyneside Brass in Schools project on our website at: www.ntbis.org.uk and our Facebook page, where you can find news updates and photos.

Yours sincerely

Gavin Dudley and Nicola Ternent
