

North Tyneside Brass in Schools - Toon Larner for trombone - level 1 worksheet 1

Ask someone to count slowly 1, 2, 3, 4, or count in your head, or use a metronome.
Take a good breath into your tummy and start each note with a "te" or "de" sound.
Play for 4 whole beats, then rest for 4. Repeat each line at least twice.

C - 1st position, slide fully in

B - 2nd position, slide out about 6 cm / 2.5 inches

E - 4th position, top of outer slide level with the bell

F - 3rd position, slide out about 14 cm / 5.5 inches

G - 1st position, slide fully in

Introducing the breath mark ",'" - take a deep breath into your tummy, play to the breath mark then quickly take another good breath and carry on, keeping the beats in time.
