

Great words of advice.

2) you are finding the intervals safely but above all you were counting well. The sound settled. Some pleasing tonguing in the cornet section. A great piece for discovering so much. Keep the detached rhythms as tight as you can. Well done Tambourines. A long piece in which to sustain the sound for but promising work & delivered confidently & all with a fun atmosphere.

Thank you for coming & for all your hard work. Keep up the good work & keep having lots of fun too.
